LINCOLN TRAIL DISTRICT HEALTH DEPARTMENT
Good Health & A Safe Environment

Compiled by:
Elizabeth Poynter, Health Impacts Administrator

Background:

This organizational plan includes all of the plans and assessments required for PHAB reaccreditation and aligns with our Community Health Assessment and Community Health Improvement Plan. It acts as a blueprint to outline our agency direction and priorities. At its center is our **mission** to assure the public's health and safety through prevention, promotion, and protection, and our **vision** of good health and a safe environment.
